

KIWANEWS

Club Meeting - TUESDAYS at 12:05 P.M.

Sandman Inn (Catering by Country Kitchen)

Editor: Chuck McCleary - 403-327-4357 - <charles.kiwanis@shaw.ca>

President's Message: President Barry was unable to submit his message due to Sunday's grass fire on the west side. He sends his apology. "Sorry. No message due to fire on Westside." Barry

UPDATED | Gale-force winds slam southern Alberta

Winds hitting 130 km/h are wreaking havoc in southern Alberta Sunday, including a massive grass fire in Lethbridge being fuelled by the extreme gusts. 10:09 PM ET  190

"A Supercell Thunderstorm over Montana"

Such colossal storm systems center on mesocyclones -- rotating updrafts that can span several kilometers and deliver torrential rain and high winds including tornadoes. Jagged sculptured clouds adorn the supercell's edge, while wind swept dust and rain dominate the center. A tree waits patiently in the foreground.

Photographed July 2010 west of Glasgow, Montana.
