## The President's Podium

Hello Kiwanians:

As your "newly minted" President I represented the club at the Lethbridge Green Acres Kiwanis Club meeting on Tuesday, October 18, 2011 at Luigis, North side. As you would know theirs is supper meeting for which they had a good turnout of seventeen members and guests. In attendance was Bill Grady, Lt. Governor, WC Division 8, Sandy Seifert, Past Lt. Governor Division 8, Ralph Liepold, District Coordinator, The Eliminate Project WC District from Regina Sask. I met Paul Henderson, President of Lethbridge Green Acres Kiwanis Club and was introduced to the members present. Our club was well represented by Jim Day, Past President, Laszlo Bodi, Jon Ackroyd and his wife Wendy and myself.

Ralph Liepold conducted a power point presentation on ELIMINATE (MNT) maternal/neonatal/tetanus, a disease suffered by mothers and babies primarily in 3<sup>rd</sup> world countries, which if left untreated is fatal. We are being asked to consider becoming a *Model Club* wherein we would be an example to other Kiwanis Clubs by: raising awareness about MNT, leading the way in pledging support and raising funds to fight this disease and thereby saving lives. This project is something the club membership may wish to consider corporately as a club or individually. You will recall that Sandy Seifert, Past Lt. Governor spoke about MNT to the club at your instillation meeting on October 11, 2011. If you are interested in a personal donation to this project please speak to me at our Tuesday meetings as I have more information and donation forms.

I had a brief discussion with Paul Henderson, President of Lethbridge Green Acres Kiwanis Club regarding the possibility of the two clubs participating in some shared activities. He was responsive to the suggestion and has left the door open for future project proposals and discussion. We will be having those discussions as I hope to attend Lethbridge Greenacres Club meetings in the future. Club members suggestions as to possible club shared activities would certainly be welcome.

The November business meeting will be held on the 2<sup>nd</sup> Monday, November 14<sup>th</sup> so our Remembrance Day Event can be held on the 1<sup>st</sup> Tuesday, November 8<sup>th</sup> just before Remembrance Day on Friday, November 11<sup>th</sup>.
